

Annotating What You Found (25 min)

Step One (1-3 minutes)

Copy and paste a **key section** of your text, that you just found, to a word document.

Step Two (5 minutes)

Write down a brief summary of the text. (One to two sentences.)

Step Three (5 minutes)

Write down a brief idea of what seems interesting, odd, or compelling about your sentence. (One or two sentences.)

Step Four (10 minutes)

Find out, using noodlebib express, how to cite your find.
