

Discussion of Friedlander Text (20 min)

Step One

Take five minutes and write down a question about the text we read for today in Word. Make sure it is a question that cannot be answered “yes” or “no.”

- A. **An Example:** What do you think is the connection between the beginning of the Civil Rights movement in the 1950s and Rock and Roll? **OR** Why were so many elders so crazy about rock and roll music? So crazy that they would say things like, “Rock and Roll is poison put to sound”?

Step Two

Be ready to discuss to move about the room and respond to people’s questions for about five to ten minutes.
