

Further Research Overhead

Take 15 or so minutes to find something that you might be able to use for your current paper by going to <http://www.library.ucsb.edu/eresources/databases/data-frames.html> and using the following searches:

- [Music Index Online](#)
- [SAGE Full-Text Collections](#)
- [JSTOR](#)

When you have found a usable article, you should save that piece to your computer's desktop.
