

Writing Exercise: How Does An Idea Come Together?

Step One

Using the thesis and subtopic below, create a paragraph that actually is coherent, logical, and well-written. **You need not use every sentence, and you can add sentences of your own.**

Step Two

In about 15 minutes, you will post your work and look at what others have done. **Be prepared to talk about the decisions you made.**

Thesis: How far Sublime could have gone will never be known, but Noel's talent was rivaled only by his heroin addiction, which leads me to ask this: is there a link between Bradley's heroin addiction and his talent?

Subtopic: Did his addiction have a causal connection to the success of his music?
